*** JULY 2007 BULLETIN ***

President's Corner- Happy 4th of July to all of our Membership! Summer is here and that means picnics and fun at your club. Better get out and fish the big lake. There were 2 monster catfish caught last month, one was 51 pounds and the other 57! Now that's a BIG CAT! Come on out and try your luck.

We had a great turn out for the June 10th work party. I would like to especially thank the Junior Trap kids for all their help. They worked very hard painting at the trap house. If it had wood, it got painted by them. Thanks kids! Also I would like to thank the adult members for taking time from their day and helping. Our Club is looking great!

-Thank you- Terry Grizzle, President
