## August 2009 Bulletin

## President's Corner

**Fellow Members:** I hope you all had a safe and happy 4th of July. I was pleased to see a better turn-out at the July membership meeting, it proves we still have members that care. With being half way through the year our club has moved mostly in the right direction. It's amazing the turn out in our dining room. A big pat on the back is due to all employees. They have been doing a GREAT job.

For those of you who haven't seen the Trap House lately you would not believe how nice it looks. Two of our members have gone above and beyond the call of duty. Craig Kittstein and Charlie Mees worked very hard and used their expertise to turn the Trap House into a Masterpiece. I can't thank them enough!!

I also need to thank the guys that have been mowing our property. Their time is greatly appreciated. With their help we have not spent any money on mowing this year like we did last year.

I could go on and on about our volunteer help, without them we would be nowhere. Just another reason why this club is so great.

Once again if you have any questions or comments about our Club, let me know. See ya at the club!

**President—Wayne Robeen**

## A Note From the Trailer & Grounds Committee

We have noticed that some improvements have been made throughout the campgrounds. Some of these improvements are cleaner camp sites and trailers, as well as improving the space available. For instance, the Schweitzer's built a tie wall and filled it with rock to improve their site and give them more space. The Zerwas' are doing the same thing. Great job! We hope to see more improvements in the future. Keep up the clean up of Pleasant Hill. It is nice to see the improvements. If you have an idea for an improvement around your camper, give me a call at 659-9034 or come to one of the Trailer-Grounds Committee Meetings. They are held at 6:30 prior to the SNY meetings. Thanks again for all of your help!

Rick Forbes—Trailer-Grounds Chairman
