December 2009 Bulletin

President's Corner

Fellow Members:

The Month of November turned out to be not only a profitable but a good learning experience for our club. Our kitchen staff and numerous volunteers pulled off a very huge task of catering food for 1,500 hungry construction workers at Conoco-Phillips Refinery. This took a lot of preparation and hard work. I would like to thank everyone who helped out. This proves to our members that we can do anything if we try.

The club has a lot going on for December, such as, food specials, Kids Christmas party, and New Years Eve dance. Show your support and come out during the Holiday Season.

I know this is the time of the year for yard clean-up, but our club is **not** a disposal for your yard waste!!! We have enough work to keep up what we have without people dumping more.

I wish all of you a very joyous Holiday Season and please thank the volunteers listed below that helped with the catering. As always any questions or comments feel free to call me at 618-466-1148 or 618-954-6101.

President—Wayne Robeen
