November 2009 Bulletin

President's Corner

Fellow Members:

Election time is coming up for Officers and Board Members of our club. Once again a very small turn out at the regular meeting. It seems like the same people are still willing to take time to make this club work. It's amazing with the various ages of our club members that the average age of our volunteers is about 52. One of these days these members will either be too tired or too old to keep this club going, just something to think about.

If you haven't noticed the trophy cabinet in the lounge by the pool table, it is very nice. I would like to thank Brad Brands for his work in building this beautiful cabinet. Maybe we could get some things going to fill it up.

A big thanks to Harold Medford for taking his time to oversee our banquets. This avenue of our club generates a lot of money for us. With his help, it has been going very well.

Our dining room crowd has been doing better than average. I hope you all will still come out to eat after your coupons are used up. Our food in my opinion is the best in town thanks to our kitchen staff.

As usual feel free to call or e-mail me with any suggestions or problems.

Volunteers Make a Difference!

Craig Kittstein has been the Sny Chairman for the past four years. During his tenure he has served under 3 different Club presidents. From the very beginning he has dedicated a tremendous amount of his time to this role. He has spent countless hours supporting the Club and Pleasant Hill, specifically to ensure successful hunting seasons for everyone. In addition to that, he has worked to make Pleasant Hill a place we can all be proud of owning. Craig has made it his goal to identify and recruit members to volunteer, engaging them in various roles working to support our Club and Pleasant Hill. Craig has been very fortunate to have appointed committee chairmen who take their responsibilities very seriously. Special events such as the Mother's Day Brunch, the St. Patrick's Day Corn Beef & Cabbage dinner, and various work parties associated with hunting and the preservation of our property/habitat would not be nearly as successful without volunteers like Craig.

The committees that report to Craig and their chairs are shown below. Thank you Craig, the committee chairs, and the committee members for volunteering your time!

Deer Committee—Jim Ditterline & Russ Billings

Duck Committee—Ralph Bechtold

Farm Committee—Wayne Johnessee & Dave Phillips

Grounds & Trailer Committee—Rick Forbes

House Committee— Vacant, anyone interested should contact Craig Kittstein.

Pumps & Waterways Committee—Rand Atterberry

Turkey Committee—Les Furl
