September 2009 Bulletin

President's Corner

Fellow Members: With hunting season approaching some of our super volunteers are pulling double duty, so bear with us if the grass gets a little tall. I was very happy with the turn out at the last membership meeting. It seems that the attendance is getting better. Football season is almost here and I would like input from club members on whether we should have the lounge open for Monday night football. It should be a lot of fun. If enough are interested, we will work out the details.

Trap season is almost over and I extend my appreciation to all that participated this year, shooters and volunteers. Trap is still one avenue that the club prospers in having. While I'm on the subject of trap shooting two of my most dedicated helpers did very well in their own rite as shooters this year. Cody West won Junior Illinois State Champion. His brother, and also my main man at trap, Austin West won at the Grand Second in Handicap in Class A of the Nation. I congratulate these two Junior Members of our Club. As always any questions or comments feel free to ask me. I hope everyone has a safe and fun Labor Day Holiday!

President—Wayne Robeen, 618-954-6101, robeen@att.net

Volunteers Make a Difference!

Our success is possible through the efforts of our members. Without volunteers, most club activities would be costly and many would cease to exist. We have some great people who constantly volunteer their time. This month we would like to acknowledge the following for their efforts.

- Craig Kittstein & Charlie Mees for donating their time to install the siding on the trap house.
- Wayne Robeen for donating the siding.
- Miles Davis and Ross Wilson for donating their time to assist with mowing the grass.
- Brad Maher for donating his time to help clean up the lake area in preparation for the Kids Fishing Derby.
- Ron and Sherry Cowan for all of their efforts and assistance with Junior Trap as well as all of the coaches.

We know that everyone is busy in their own life, and we appreciate you and your time. Thank you!

Children's Fishing Tournament

The Club would like to thank Bluff City Tackle and Cabela's for their generous donation of items that we used as prizes for this fun event. All of the children went home with an item or 2 that was donated by these retailers. A thank you is also extended to all the volunteers who assisted with this event.
