February 2010 Bulletin

President's Corner

Fellow Members:

With the start of the new year we now have a full Board. With the additions of Tony DeAngelo, Alan Medford and Tim Foster. I would like to thank them for donating their time to serve the club. I also thank Dick Smith, Rick Forbes and Chris Sawyer for their many hours of service. Even though we did better in 09 than in the past we still have a long way to go to see daylight.

Three cheers for all the members who bought the coupon books and used them in a timely manner. Unlike the rumors you hear in the bar from members who don't go to meetings, the club is still honoring the green coupons until the end of March. The future of this club seems to be what satisfies the members. The way it should be. The Board and myself have tried to do this without much support from the membership. If you want to stay in tune with what is going on in the club you must attend meetings instead of not reading bulletins or getting information third handed from the lounge. The old saying is don't believe everything you hear. That is why you need to come to meetings with a positive attitude, constructive criticism, and new ideas. With your help we might make this Club work.

Boy Scouts at Pleasant Hill

On February 26-28, a Boy Scout Troop from Brighton will be staying at our PH facility. If you are planning a trip there in February, please try to avoid that weekend so the scouts can better use our facility. In prior years, the scouts have always left our clubhouse and grounds in better condition than when they arrived. It is an honor for us to support these young people.
