January 2010 Bulletin

President's Corner

Fellow Members:

2009 was a very busy year for our club. The Board of Directors and all who volunteered this year worked hard making our club end on a positive note. Most of the changes this year proved to be good in our favor.

Our banquet hall was booked quite often for 2009 and hopefully will continue next year. We have done some face lifting to the ball room which was needed to make it more appealing. Stop in and take a look.

If we are to continue to keep this club as great as it is we need help from our members to aid in our many functions. Every committee here is in need of support.

I would like to thank all the members who took time to vote this year which by the way was very few. I was very blessed this year with a Board of Directors who help guide this club and spent their time to chair our committees.

I hope everyone has a Happy and Prosperous New Year! Thanks for your support. As always if you have any questions or comments feel free to email or call me.
