May 2010 Bulletin

## President's Corner

### Fellow Members:

With the pond and lake looking good it's time to come out and enjoy our club. You will notice that the lake road and boat ramp have new gravel on them. A BIG thanks to Alan Medford who supplied the rock and Brad Brands who bladed it smooth. All the club was out was the hauling fee. We are looking into putting a roof over the deck to help enjoy the use of it and to watch the baby geese. Once again they are all named Willie. More help would be appreciated on the mowing end of the grounds. I know Brad and myself would love it. To better understand the dining room situation, that is the only part of the club that is open to the public. The coupon books that are available now can be used at any time of the year until April 2011. To enjoy the 10% reduction on the books, please buy the books by June 30, 2010. This will help us on the bookkeeping matters. Any questions call me or the office.

Thanks,
