President's Corner

I'm happy to inform you that membership is increasing on a daily basis. We are getting new sign-ups every day. Business has definitely been a **big** improvement. I'd like to thank all our members who continue to support our club. We're continuously striving to make it better for you. I'd still like to hear from you through your suggestions or comments. They are always a big help to me and the Board.

I could also use more volunteers to help out in any way you can with club functions. You can either contact me personally or contact the office if you are interested in helping out. It would be greatly appreciated.

For those of you who haven't heard yet, Steve Shultz, our previous chef, is back and I can tell you that you need to come out and give the food a try. It's just as good as before, if not better, so come on out and join us for a wonderful dining experience.

I would also like to thank Christine Forbes and Tom Henesey for their untiring efforts to create, publish and electronically distribute each month's bulletin and keep our website updated.

Once again, please don't hesitate to call for any questions you have. Also watch for upcoming events. To all our members and everyone, have a happy spring.
