President's Corner

For our members who are not aware of what has been going on with the latest projects within the Club, I would like to keep you updated. First off is the remodeling of the Trap House. I am very pleased to say that the completion of all of the renovating that has been done turned out beautifully thanks to all of the hard work and dedication by all of our volunteers. A special thank you to Brad Beck, for his leadership in making it happen and getting it completed in a timely fashion. We are also in the process of getting the roof put on the Lakeside Lounge deck for your convenience and enjoyment. Please continue to come out and use your Club. Thank you to all of the members who do utilize the Club and to all of our new sign ups. Because without you none of these improvements would have been possible.

If you have any questions or comments, please feel free to call me at anytime. Everyone be safe and enjoy the rest of your summer.

Thank you,
Harold Medford

Chef's Corner

Greetings members and guests! A new feature of the newsletter each month will be some information on the dining services here at the Club. Thanks to all of you who have welcomed me back these last couple of months and thank you for coming out to the Club for dinner. For those of you whom I haven't met, feel free to stop by the kitchen and say hello. It is our mission to provide all of our guests a pleasurable dining experience, although it may not be possible to accommodate every request, we will certainly do our best.

Big news this month is the new menu. I wanted to include some more home-style dishes and some additional salads, pastas and sandwiches. I also encourage everyone to try some of our new house breaded appetizers, they have gotten much positive feedback. As always, I am available (except peak service hours) to answer any questions you may have. In addition, comment cards are available at the entrance of the dining room. Your input is valued and appreciated.

Looking forward to seeing you at the Club for dinner!

Steve Schultz, Chief Cook and Bottle Washer
