## President's Corner

I would like to begin by saying that I appreciate each and every member who took the time to come out and vote for officers of the Club. I especially appreciate the fact that you re-elected me to be your president for 2012. I'm going to be putting in a lot more time and effort into the Club this coming year than what I have in the past year due to constant changes and improvements to keep this Club up and running. As always, I still want to hear from members where our Club is concerned because you are the difference are a big part of what makes the difference between success or failure of the club so keep those comments and suggestions coming in the suggestion boxes.

I'd like to discuss another subject that you may or may not have already heard. Our Caretaker at the Pleasant Hill facility was very seriously injured in an industrial accident on our grounds, and he is still in the hospital. Please keep him in your thoughts and prayers.

Once again, I'm striving for continuing success of our Club in 2012 and with your help, we will achieve it. And, wishing a prosperous new year to all!

Thank you,  
Harold Medford, Pres.  
618-978-1083
